2024, more than a plan

Zvâc

This is a project in collaboration with Rubik school for a community of teachers from a county in Romania. It will bring in attention to 30 teacher new and alternative methods to approach the learning sessions for their students. There will be monthly meetings in their community and a 5 days summer camp.

Mămici de pici

A project dedicated to the young mothers from Sector 6, Bucharest, in collaboration with charity shop SocialXChange. There will be 2 hours meetings at each 2 weeks tackling topics from various fields such as nutrition, self-care, The groups will be created from 20-25 persons.

Picnic de meserii

The job market is in continuous change, and the children may have different jobs that we imagine now, but getting to know what is existing at this moment on the market may increase their understandings of what they can do. This activity will be a picnic day, where the children would have the possibility to talk with specialists from different fields.

Ateliere de pici

As well, a project in collaboration with SocialXChange, with meetings at each 2 weeks for the children from the community they work with. These workshops will target 3 groups of children between 6 and 12 years old. The workshops will develop topics such as soft skills, teamwork, digitalization, cyber security, online information, etc.

Also, if you want to support our activities, and you are one of our Romanian colleagues, there is the option to redirect the 3.5% from your tax to our association. This is a deduction from your taxes, without affecting your income. You can choose to which organisation to redirect this amount, one per year.

If you feel that making education accessible for children and young adults from vulnerable communities represent a strong cause, then you can fill the following form, only with your data and choosing if you redirect for 1 or 2 years!

Thank you!

”

Here is the form for 3.5%!
